## OFFICE OF THE COUNTY CLERK OFFERS

### A FREE PROPERTY FRAUD ALERT SYSTEM FOR ALL PROPERTY OWNERS

Gloucester County Clerk, James N. Hogan, now provides a free property fraud alert system to all property owners in Gloucester County. This program is part of a new software program that the County Clerk has implemented in conjunction with ACS Computer Services of Dallas, Texas.

Property owners need only to register online with the County Clerk's Office. Once registered, property owners are sent an email alert every time a document is recorded in their name at the Gloucester County Clerk's Office. This email alert is a free service offered by the County Clerk's Office.

Gloucester County is the fourth county nationwide to offer this layer of protection to property owners. The Gloucester County Clerk's Office is committed to protecting the citizens of Gloucester County from any and all fraudulent and deceptive practices that could cause problems for a person's most important possession – their home.
