Recycling

Weekly Recycling

Please remember that trash and recycling cannot be put out any earlier than 6 p.m. the evening before your trash day (Ordinance 212-15.D). For general questions regarding Trash and Recycling pick-up please call 856-589-0523.

The following items can all be mixed together in your recycling can:

- Newspapers
- Magazines
- Telephone/Soft Cover Books
- Junk Mail/Envelopes (all types)
- Paper (all colors, staples and paper clips ok)
- Paperboard (cereal boxes-remove plastic liner, beer & soda carriers, spaghetti boxes)
- Cardboard
- Brown Paper Bags
- Plastics #1&2 (Soda/Juice, water bottles, milk jugs, bleach, detergent, shampoo bottles)
- Glass Bottles/Jars (any color)
- Metal Cans (tin/steel/aluminum)

DO NOT Include:

Plastic Bags & Small Caps

Unmarked plastics (laundry baskets/ chairs/toys)

Windows/Light Bulbs/Drinking Glasses

Dishes, Pyrex, Ceramics

Foam Packaging, Styrofoam

Recyclables containing food waste.

Recycling Yard

The Washington Township Recycling Yard is located on McClure Drive off of Greentree Road across from the Police Station. It is open to Washington Township residents only every Saturday between 8 a.m. - 2 p.m.

The following items are accepted:

- Single stream recycling (Plastics, Bottles, Cans, Cardboard, Mixed paper)
- Branches
- E-Recycling (electronics, TV's, computers)
- Concrete
- Tires
- Metal
- White goods (appliances)

The following items are not accepted:

- Household trash
- Bulk trash
- Construction material
- Fencing
- Grass
- Leaves
- Hazardous waste

Proof of residency is required. No contractors are allowed. No dumping is allowed off hours. Violators will be prosecuted.

Recycling Containers

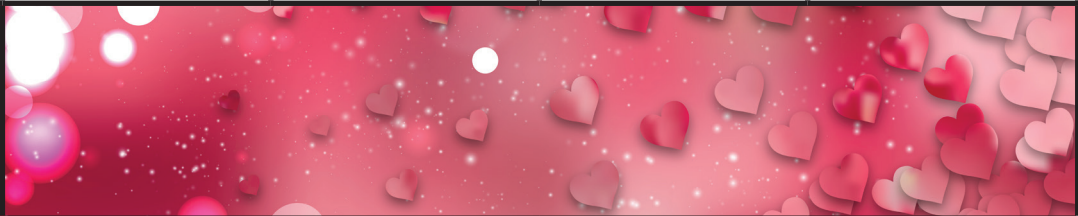

One free container per household is given to new residents within first year of residency (proof of residency must be provided). New recycling containers can be purchased at the Municipal Services building at a cost of \$10 for a 20-gallon bin or \$17 for a 32-gallon bin. Residents who are over 55 years of age can purchase a bin at half price. We also have recycling stickers free of charge that can be placed on your container.

Washington Township Environmental Commission

The Environmental Commission encourages the protection and appropriate development and use of the Township's natural resources. The Environmental Commission advises the Mayor and Council on land and water conservation and protection actions and on pollution events; sponsors community education and engagement activities; and provides recommendations to the Planning Board and Zoning Boards regarding land development applications.

Members	Associates
Vicky Binetti, Chair	Ed Andricola

Leon Lakritz	Bob Starrantino
Chet Nawoyski	
Joe Perry, Planning Board	
Devin Walker	
Pete Garbowski, Alternate	
Jodie Smith, Alternate	
Dorothy Hunter, Secretary	
Sean Longfellow, Council Liaison	

Making a great community even better

Washington Township has been certified as a Sustainable Community every year since 2017—one of only 204 in the state. The certification recognizes that Washington Township seeks to:

- go green by conserving energy, reducing waste and saving money
- continuously improve the quality of life in our community
- improve and maintain a vital local economy
- engage the public in meaningful participation in government

Programs and practices in the following areas have contributed to these goals:

- ✓ community outreach & partnerships
- ✓ food & health
- ✓ natural resource protection
- ✓ operations & maintenance
- ✓ public information and engagement
- ✓ waste management

Solutions to Stormwater Pollution

As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water. Limit your use of fertilizers and pesticides

Do a soil test to see if you need a fertilizer. Do not apply fertilizers if heavy rain is predicted. Look into alternatives for pesticides. Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer. If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

- Clean up after your pet**
- Dispose of yard waste properly**
- Don't litter**
- Keep pollution out of storm drains**
- Don't feed wildlife**

Properly use and dispose of Hazardous products
Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.

Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
