

HEATHERWOOD HOMEOWNERS' ASSOCIATION

“SERVICE INFORMATION”

TRASH AND RECYCLABLES

The trash and recyclables are scheduled to be picked up on Tuesdays. In accordance with Township ordinances, trash shall not be placed at the curb before 6:00 p.m. on the preceding day. In compliance with Heatherwood's Governing Documents, all trash shall be placed in sealed trash cans. Any excess trash shall be placed in heavy duty bags.

LAWNS

The Lawn cutting scheduled day is normally set at the beginning of the season. Our landscaping contract provides for 26 lawn cuts (once per week, weather permitting). Every other week your lawn will be edged for a total of 13 times for the season.

WATERING

Water conservation measures are instituted by the WTMUA from May 1 to September 15. Heatherwood, which is east side of Egg Harbor Road, follows the “ODD NUMBERED DAYS” schedule for watering. This bans non-essential outdoor uses of water between the hours of 11:00 AM through 6:00 PM. on ODD DAYS. No outside water uses are allowed on EVEN DAYS.

SNOW REMOVAL

Snow removal shall be provided when snow accumulation reaches a minimum of two (2) inches of snow. The homeowner will be responsible for snow removal whenever accumulation is less than two (2) inches. The homeowner is responsible for removal of ice from driveways, driveway aprons, and walkways whenever ice occurs. Our snow removal contractor shall remove snow from all sidewalks, driveways, driveway aprons, walkways to front door, and front door landings. Snow removal will not begin until the Township has plowed the streets. Washington Township is responsible for snow and ice removal, from curb to curb, on our streets.
