

**IMPORTANT ANNOUNCEMENT
FROM THE BOARD OF TRUSTEES**

SUBJECT: OPEN MEETING

**WHERE: WASHINGTON TWP SENIOR CENTER
Greentree Road between Egg Harbor Road
and Hurffville-Cross Keys Road**

WHEN: WEDNESDAY, APRIL 22, 2015, 7:00 PM

As with all Open Meetings, the Agenda will include the Treasurer's Report, Committee Reports, pending issues before the Board, and a forum for homeowners' questions or comments.

There will also be a *brief* presentation regarding day trips, overnight trips, and cruises offered by the Senior Citizen United Community Service (SCUCS) Travel and Tours. From time to time we have received inquiries regarding whether Heatherwood Homeowners' Association offers opportunities for trips, and while Heatherwood does not do so, booklets describing the 2015 trips will be provided to those who may be interested.

Light refreshments will be available following the meeting should some wish to stay and chat awhile.
